Brazilian | +55 47 9658-0043 (WhatsApp) | camila_a.c@hotmail.com

PROFESSIONAL PROFILE

Interior Designer with 15 years of experience in residential interiors, custom-made furniture and luxury home products. Experienced in developing projects from concept through execution, including layouts, technical drawings, 3D modeling, material and finish selection, client service, production follow-up, site coordination, installation supervision and final delivery. Combines creative design, technical knowledge, functionality and attention to detail.

PROFESSIONAL EXPERIENCE

Henrique & Roberto | Itapema, Santa Catarina, Brazil

Interior Designer & Store Manager | 2011 - Present

- Develops residential interior design and custom furniture solutions for kitchens, wardrobes, bedrooms, living spaces, home offices and integrated environments.
- Manages a retail store focused on MDF-made products and luxury home products, combining design expertise with customer service and commercial management.
- Prepares layouts, technical drawings, 3D modeling and visual presentations for clients.
- Supports clients in selecting materials, finishes, colors and functional solutions for high-end residential spaces.

D'Marcolin - Custom-Made Furniture Manufacturing | Curitiba, Parana, Brazil

Interior Designer & Custom Furniture Project Manager | 2011 - Present

- Develops bespoke furniture and interior projects from initial concept to final installation.
- Creates layouts, technical drawings and 3D presentations and defines materials, finishes and project details.
- Follows furniture production and coordinates project execution on site.
- Supervises installation and assembly, ensuring alignment between design, production and final delivery.
- Works directly with clients throughout the project lifecycle, from briefing and development to completion.
